

Glastender

Represented By

BMG

BOWERMAN MANAGEMENT GROUP
Manufacturers' Representative for Foodservice Equipment

Pre-1999

Soda gun manifolds mounted under the bar top, creating a clutter of soda lines

Circa 1999

Glastender introduces the original soda gun holder with manifold housing to eliminate clutter

2017

Glastender evolves the design to include a universal, integrated stainless steel gun holder and seamless welded drip pan
