**Hubbell**  
WATER HEATERS

**Introducing the Most  
Reliable Point-of-Use Water  
Heater Available!**

**The JISSA is an electric compact point-of-use water heater  
which DOES NOT take up any floor space and eliminates the need  
for long pipe runs from a central heater.**

**Easy to Install**

**Operates with All Fixture Types**

**Does Not Require Special Aerators or Devices**

**5 Year Non Pro-Rated Tank Warranty and 1 Year Parts/Labor**

**Perfect for Food Carts, Remote Locations, and OEM Applications**
